Written Verses of Proverbs

How to Create a Log of Your Insight from Holy Spirit

1. As you read through the chapters of Proverbs highlight the verses that speak to your heart.

Write down the verse on paper or in a journal.

2. As you copy each word, pay attention to each word and the thoughts that come to you.

3. Write down a short paragraph of what you are thinking.

4. Think about how this applies to your life. Write down what you think it means to you.

5. Think about how you can apply this new revelation to your life. Write it down.

6. Create a new habit. I will:
